
Ecodesign preparatory study on mobile phones, smartphones and tablets

Final Stakeholder Meeting

Venue: **Webex**, access details sent through e-mail
Date: December 18, 2020 (9.00 a.m. – max. 5.30 p.m.)

Housekeeping Rules

- Be reminded, that the meeting will be recorded to ease compiling the minutes
- Join the meeting few minutes before the scheduled time to make sure the technology works properly
- Enter your name and affiliation on the access page, so we can identify you in the meeting and the chat in particular
- In case you have difficulties to enter the meeting send an e-mail to gergana.dimitrova@izm.fraunhofer.de and we will provide further guidance; if you face technical issues during the meeting contact by e-mail or through the chat Gergana Dimitrova, “chat to all” shall be used only for content related Q&A
- In the meeting mute yourself and switch off video; we might mute you centrally to reduce noise issues
- After each agenda item we will have few minutes for Q&A
- If you have questions or comments, note them down during or after each presentation slot in the chat and we will answer them one-by-one at the end of each agenda item. In case your question or comment requires your oral intervention type in the topic AND #
- Keep your oral interventions short and to the point, maximum 2 minutes, please. Don't forget to take down your virtual hand afterwards.
- In case we run out of time, we need to cut-off Q&A and will reply to remaining questions with the minutes
- In case individual presentations and Q&A needs less time than indicated in the agenda we might move to the next agenda item already before the designated time slot, so you cannot rely on the exact timing below in case you want to leave the meeting temporarily or if you just plan to join later
